

Celebrating 25 Years of ViALUX

A Milestone of Innovation

ViALUX marks a significant milestone this year: our 25th anniversary. Since our founding in Chemnitz, Germany in 2000, we have evolved from a small start-up into a globally recognized developer of DLP® Technology products.

We would like to thank our customers, partners, and suppliers for the collaboration over the past 25 years and look forward to continuing this journey and shaping the future of Digital Light Processing together.
